Dear Marcus Walsh,

I am pleased to inform you that your company has been registered with CHAS as a result of our deem to satisfy arrangement with SAFEcontractor (SSIP member) that negates the need for you to be CHAS assessed.

The CHAS accreditation will be valid from 07th May 2013 which was your last assessment date with SAFEcontractor. As you have requested to register using your deem to satisfy on or after the 01st October 2012 your CHAS accreditation certificate is part of this service and will be issued automatically. Please allow up to 10 working days to receive your accreditation pack.

Please note accreditation is only valid for a period of 12 months from your last assessment date. This will require a commitment to an annual assessment through either SAFEcontractor or any other SSIP member.

Yours sincerely,

John Murphy MBE
CHAS Scheme Manager
